Trade Name: Chemz Zinc
Description: Zinc Coating
Code: C 23

Approvals:

This compound is approved for use in premises processing all animal product except dairy, operating under the Animal Products Act regime.

This approval is under the following regulations, subject to the conditions stated in this approval:

1. Regulation 247 of the Animal Products Regulations 2021 and Regulation 18 of the Animal Products (Regulated Control Scheme – Limited Processing Fishing Vessels) Regulations 2001

Conditions:

1. This can be used in food areas.
2. Before use, all food product and food contact packaging material must be removed from the room.
3. No food product is permitted in the room until all treated surfaces have been adequately protected with an approved coating.
4. When incidental contact with a food contact surface occurs, the surface must be thoroughly cleaned and rinsed with suitable water to ensure that no residue remains.

This is also approved for C 25 applications.

This approval may be withdrawn at any time due to unapproved directions for use, or unsatisfactory performance, or any change in product formulation. The Ministry for Primary Industries (New Zealand Food Safety) must be notified if the holder of this approval wishes to transfer their products to another entity.

The product must be used in accordance with the manufacturer's instructions and specifications. The label may include a statement to the effect that the product is approved for use in premises registered under the Animal Products Act regime. Any statements made, however, must include the approval code and must be limited to the following unless otherwise specified:

MPI Approved C 23 (All animal product except dairy)

Note: Former NZFSA statements must be removed from your labels.
