

6 July 2022

Chemz Limited
PO Box 113
Whakatu
Hastings 4161

Trade Name: Chemz Label Strip
Description: Surface Treatment
Code: C 101-69

Approvals:

This compound is approved for use in premises processing all animal product except dairy, operating under the Animal Products Act regime.

This approval is under the following regulations, subject to the conditions stated in this approval:

1. Regulation 247 of the Animal Products Regulations 2021 and Regulation 18 of the Animal Products (Regulated Control Scheme – Limited Processing Fishing Vessels) Regulations 2001

Conditions:

This must be used in accordance with the following special conditions:

1. This may only be used in edible areas during routine maintenance periods, including between processing shifts, where the room is subjected to a full sanitation before edible operations recommence.
2. Before use, all edible product and packaging material must be removed from the room.
3. No edible product is permitted in the room while odours remain.
4. This compound must not be used on food contact surfaces.

This approval may be withdrawn at any time due to unapproved directions for use, or unsatisfactory performance, or any change in product formulation. The Ministry for Primary Industries (New Zealand Food Safety) must be notified if the holder of this approval wishes to transfer their products to another entity.

The product must be used in accordance with the manufacturer's instructions and specifications. The label may include a statement to the effect that the product is approved for use in premises registered under the Animal Products Act regime. Any statements made, however, must include the approval code and must be limited to the following unless otherwise specified:

MPI Approved C 101 (All animal product except dairy)

Note: Former NZFSA statements must be removed from your labels.
