Safety Data Sheet

Wide Top Conical Spray

Chemz Label Strip is specially formulated to remove adhesive paper labels and stubborn glue residues from a wide range of materials. The fast acting formula penetrates through the paper label and neutralises the adhesive, allowing labels to be removed cleanly without tearing or surface damage, beyond general label removal.

Chemz Label Strip also neutralises glue residues found on packaging and labelling machinery. Its versatility makes it ideal for use in homes, schools, offices, warehouses, retail spaces, workshops, factories, automotive settings and food processing areas including meat, fish, fruit, and produce handling facilities.
