CRAFTSMAN

CUT
RESISTANT **325**

**BEST GRIP HANDLING
OILY SURFACES.**

Double layer Sandy Nitrile coating creates a spongy, abrasion-resistant but flexible barrier that repels liquids to provide an excellent grip in oily, wet or dry environments.

Combined with the cut-resistant liner, the CRAFTSMAN 325 promises dexterity, grip, comfort and protection.

New fibre technology provides the high cut resistance. Thread for thread it's 20% stronger than standard HPPE cut resistant gloves.

Ideal for: Sheet metal work, general maintenance, metal fabrication, precise tasks & machine tooling.
Sizes: 8/M, 9/L, 10/XL, 11/2XL.
